1. Your instructor would like to know if there is something you believe he/she has done especially well in teaching this course.

She is always so patient and more than willing to help us. A wonderful professor for making freshmen feel comfortable and transition well.

2. Your instructor would also like to know what specific things you believe might be done to improve his/her teaching this course.

Nothing, she was wonderful.

3. Your instructor would be interested in hearing any other comments you would care to make concerning his/her teaching in this course.

I think I struggled with the time I had for major assignments, but I think everyone probably struggles with the pace during freshman year.
