

Student Evaluation Form B

English Department, The University of Texas at El Paso

Instructor: Maier, Maria Isela Course: RWS1301 Section: 15293

One way in which an instructor can improve a class is through thoughtful student reaction. This instructor hopes to use your response for self-examination and self-improvement. Please respond carefully to the items below. Your instructor will not read your responses until after grades have been issued for the course.

1. Your instructor would like to know if there is something you believe he/she has done especially well in teaching this course.

I believe that Professor Maier did especially well in teaching the course with such a positive attitude, giving second chances to students and she would also help the student individually if they asked.

2. Your instructor would also like to know what specific things you believe might be done to improve his/her teaching this course.

I honestly believe that she didn't have any flaws in her teaching. I actually learned about writing in her class and there's no comparison to any teacher.

3. Your instructor would be interested in hearing any other comments you would care to make concerning his/her teaching in this course.

Professor Maier, first off thank you and your teaching skills are amazing. You allow students to say what is on their mind. You also explain everything to us students and when we get stuck, you help us one step at a time.

My classification is ☒ Freshman ☐ Sophomore ☐ Junior ☐ Graduate
